Information under ASX Listing Rule 7.3A.2

- 28 The table below shows the dilution of existing shareholders on the basis of the current market price of shares and the current number of ordinary securities for variable "A" calculated under the formula in ASX Listing Rule 7.1A(2) as at the date of this notice.
- 29 The table shows two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future shareholders' meeting.

30 The table also shows two examples where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1A.2		Dilution		
		\$0.0045 50% decrease in issue price	\$0.009 issue price	\$0.018 100% increase in issue price
Current Variable A * 1,732,134,740 shares	10% Voting Dilution	173,213,474 shares	173,213,474 shares	173,213,474 shares
	Funds raised	\$779,461	\$1,558,921	\$3,117,843

	Funds raised	\$1,169,191	\$2,338,382	\$4,676,764
100% increase in current Variable A * 3,464,269,480 shares	10% Voting Dilution	346,426,948 shares	346,426,948 shares	346,426,948 shares
	Funds raised	\$1,558,921	\$3,117,843	\$6,235,685

* Current Variable A refers to the current number of shares on issue as the date of preparing this notice of meeting (22 September 2016).

31 The table has been prepared on the assumptions set out below.

- (a) The Company issues the maximum number of shares available under the 10% ASX Listing Rule 7.1A approval.
- (b) No options are exercised to convert into shares before the date of the issue of the shares available under ASX Listing Rule 7.1A.
- (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (d) The table does not show an example of dilution that may be caused to a particular shareholder by reason of share issue under ASX Listing Rule 7.1A, based on that shareholder's holding at the date of the meeting.
- (e) The table shows only the effect of issues of equity securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1.
- (f) The issue of shares under ASX Listing Rule 7.1A consists only of ordinary shares in the Company.

(g) The issue price is \$0.009, being the closing price of the shares on ASX on 21 September 2016.

32 As resolution 5 is a special resolution it must be passed by at least 75% of the votes cast by shareholders entitled to vote on the resolution.

9 Grant of Options

9.1 Date of Grant

Upon acceptance of a duly signed and completed Application Form, together with any monies payable in respect of the Options applied for, the Company may grant Options to the Eligible Employee, or other person declared by the Board to be eligible, as specified in the Offer, with effect from the date the Board determines, on the terms of the Plan and terms of the Offer.

9.2 Certificate

On the grant of the Option, the Company must issue to the Participant a certificate evidencing the Option and the number of Shares for which the Participant is entitled to subscribe.

9.3 Personal

An Option granted under the Plan is personal to the Participant and may not be assigned to or exercised by any other person or body corporate.

10 Exercise of Options

10.1 Right to Exercise

Subject to rule 9.3, a Participant may exercise the Option, or any part of it, in the applicable Exercise Period, provided any exercise is for a minimum of a marketable parcel (as defined in the Listing Rules) of Shares or such other number or multiple of a number as the Board may determine.

10.2 Exercise Periods

Options may only be exercised during the applicable Exercise Period. The Exercise Period of Options will be determined by the Board at its absolute discretion.

10.3 Restrictions on Exercise

Except where an Option becomes exercisable by virtue of the provisions of rule no 12, an Option may not be exercised unless at that time any Exercise Conditions imposed by the Board have been satisfied. Exercise Conditions of Options will be determined by the Board at its absolute discretion.

10.4 Lapse

Any Option not exercised on or before the Expiry Date automatically lapses.

10.5 Notice of Exercise

- a) In order to exercise an Option, the Participant (or his or her personal representative in the case of a deceased Participant) must deliver to the Company a completed and signed notice of exercise in a form prescribed by the Board and made available to the Participants, together with the Total Exercise Amount. All payments made pursuant to this rule shall be made by cheque, bank draft or postal order made out in favour of the Company.

- b) If a Participant exercises only part of the Option, the Company must issue to the Participant a new certificate evidencing the remaining number of Shares for which the Participant is entitled to subscribe.

10.6 Allotment of Shares

Subject to rule 9.6, upon receipt of the Total Exercise Amount the Company must promptly allot to the Participant the Shares for which the Participant is entitled to subscribe.

10.7 Quotation of Shares

After Shares have been allocated pursuant to rule 9.6, if the Company's Shares are listed on the Exchange at the date of allotment, the Company will apply for listing of the Shares on the Exchange within the timeframe required by the Listing Rules.

11 New Issues

There is no inherent right in the Option to participate in any new issues of Shares which may be offered to shareholders from time to time prior to the exercise of the Option.

12 Rights of Participant upon exercise of Option

12.1 Ranking of Shares

The Shares to be allotted upon the exercise of an Option will upon allotment rank equally in all respects with the then existing ordinary issued Shares in the capital of the Company and will be subject to the provisions of the Constitution of the Company.

12.2 Adjustment for Rights issue

As required by the Exchange if:

- a) Shares are offered pro rata for subscription by the Company's shareholders generally by way of a rights issue; and
- b) The price at which each Share is so offered is less than the Market Price on the day of public announcement of the rights issue.

The Exercise Price applicable to each Share shall be reduced in accordance with the Listing Rules.

12.3 Adjustment for Bonus Issue

In the event of a Bonus Issue of Shares being made pro-rata to ordinary shareholders (other than issue in lieu of dividends), the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Option Holder would have received if the Option had been exercised before the record date for the Bonus Issue. No adjustment will be made to the exercise price per share of the Option.

12.4 Subdivision or consolidation

If, prior to the expiry or lapse of any Options there is a pro rata issue (except a bonus issue) to the holders of Shares in the Company, the Exercise Price of the options may be reduced in accordance with the ASX Listing Rules.

12.5 Return of capital

If the Company make a return of capital to its shareholders generally, the Exercise Price applicable to each Share comprised in the Option will be reduced by the amount of the capital returned in respect of each Share.

12.6 Other reconstruction

If there occurs any other reconstruction of the capital of the Company affecting issued Shares, the Shares comprised in the Option and the Exercise Price applicable to each such Share will be reconstructed (as appropriate) in a manner which will not result in any benefits being conferred to the Participant which are not conferred on holders of issued Shares, and (subject to the provisions of that reconstruction with respect to rounding of entitlements as sanctioned by the meeting of shareholders approving the reconstruction of capital) in all other respects the terms of the Options shall remain unchanged.

12.7 No additional Rights

The Plan shall afford a Participant no additional rights to compensation or damages as a consequence of the termination of his or her employment or appointment for any reason whatsoever.

13 Trigger Event

Notwithstanding the Terms and Conditions, upon the occurrence of a Trigger Event, the Directors may determine:

- a) that the Options may be exercised at any time from the date of such determination, and in any number until the date determined by the Board acting bona fide so as to permit the holder to participate in any change of control arising from a Trigger Event, provided that the Board will forthwith

advise in writing each holder of such determination. Thereafter, the Options shall lapse to the extent they have not been exercised; or

- b) to use their reasonable endeavours to procure that an offer is made to holders of Options on like terms (having regard to the nature and value of the Options) to the terms proposed under the Trigger Event in which case the Board shall determine an appropriate period during which the holder may elect to accept the offer and, if the holder has not so elected at the end of that period, the Options shall immediately become exercisable and if not exercised within 10 days, shall lapse.

14 Duration of the Plan

- a) The Plan will continue in operation at the Board's discretion.
- b) If for any reason the Plan terminates or is discontinued, such termination or discontinuance will not prejudice the rights of the Participants to whom Options have been granted.

15 Amendment of the Plan

The Board may at any time and from time to time by resolution, revoke, add to or vary any of the rules of the Plan or all or any of the rights or obligations of the Participants or any of them provided the interests of the Participants are not, in the opinion of the Board, materially prejudiced by such addition or variation.

16 Administration

The Plan will be administered by the Board or a committee appointed by the Board in its absolute discretion with such powers and duties as are conferred upon it.

17 Notices and Correspondence

17.1 Notice to Company

Any notice required to be given by a Participant under the Plan or any correspondence to be made between a Participant and the Company or the Board may be given or made to the principal office of the Company or such other address as may be notified in writing.

17.2 Notice to the Participant

Any notice required to be given by the Company or the Board to the Participant or any correspondence to be made between the Company or the Board and a Participant may be given or made by the Board on behalf of the Company.

For personal use only

18 Disputes

Any disputes or differences of any nature arising under the Plan must be referred to the Board and its decision will be final and binding in all respects.

19 Advice

Participants should obtain their own independent advice at their own expense on the financial, taxation and other consequences to them of or relating to participation in the plan.

20 Taxation

Neither the Company nor its Directors are liable for taxes assessed against or imposed upon a Participant arising from participation in the Plan and neither the Company nor its Directors represents or warrants that any person will gain any financial or taxation advantage by participating in the Plan.

21 Listing Rules and Constitution

The terms and conditions as set out in these Rules are subject to the Listing Rules of the Exchange and the Company's Constitution.
